How can we be happy? In the beatitudes Jesus has a very different idea of

what makes us happy as compared to many others. Basically, the "certainty of faith" in the providential love that the Father has for us, gives us that peace and joy that, one day, all will be well. We can keep our interior peace because justice will win in the end, the type of justice that our loving Father ensures for all of us. So be at peace and be happy in the Fathers love.
