The prophet is not always a welcomed guest and yet in fact she/he is part of our community, speaking truth to injustice, corruption and aggression. As annoying as she/he can be, who else will speak God's word to us as a clarion call to holiness. At some point someone must "call us out" for our inconsistencies. Not everyone will agree with the challenge but it must be done.

For mutual coexistence Pope Leo XIV releases his prayer intention for August, 2025, inviting us to pray “that societies avoid internal conflicts due to ethnic, political, religious or ideological reasons” and encouraging us to “seek paths of dialogue” and “respond to conflict with gestures of fraternity.”
